

Save up to 20% with new look Leisure Direction *Ski*

Leisure Direction launches new look website for the 09/10 ski season. Self-drive holiday specialist Leisure Direction launches their new website ready for the 2009/2010 winter season.

Completely redesigned and rebranded, the new website is more customer-friendly with improved navigation and search functionality combined with a new range of great-value accommodation and holiday packages.

Leisure Direction customers have access to more cross-channel transport options than any other ski operator in the UK. From a Dover to Calais crossing to Eurotunnel or the Ski train, customers can dynamically package their ski holiday by mixing and matching accommodation and transport options to get the very best deal. Both ski accommodation and transport options are available in real-time, with up to the minute prices and offers. We search for the best prices so you don't have to!

Ski lift passes are available to book online at the same time as accommodation and offer some great savings compared to in-resort prices and the luxury of having the passes delivered directly to the residence or hotel.

There are some great **early booking offers** available which can **save you up to 20%** on your accommodation and are ideal for those who want to secure peak season dates!

Book early to avoid disappointment!
